

Club Championships Guidelines

All Games must be played on or before the dates on the playing schedules.

In all single matches the challenger (top name of the pairing) is responsible for arranging a marker. The marker for the final will be selected by the controlling body.

All score cards must be checked by both sides and signed. If no official is present all score cards are to be placed in the post box on the bowls office wall.

4 Wood Mixed Trips

Set dates will be made for the 4 Wood Mixed Trips playing on Tuesday or Friday afternoons after club days. If it is not possible to play on that day because of serious illness or medical appointment you may play before the set date but not after, **and by authorization of the controlling body**. Any trips game cancelled by controlling body for flooded greens or rain affected games will be replayed on the following Sunday after club day.

Replacements

When a replacement player is required during the competition i.e. after the first game has been played, the replacement must be obtained by the team requiring the replacement, with a player who has not previously participated in the same discipline. This process must be authorized by the Controlling Body (Cross Ref. Rule 12).

Markers

It is the responsibility of the '**challenger**', in all singles disciplines, to arrange an appropriate 'Marker'. Spouses may undertake the role of Marker with the agreement of the opponent.

When making arrangements to play a Semi-final game, the '**challenger**' must liaise with the Club's CBUMA representative in order that a qualified Marker may be made available for the agreed date.

Playing Twice on the Same Day

Practice or "roll-ups" on the green, including participation in Club Day, is not permitted on the day of any Club Championship or Club Competition match, prior to that match.

However, play in other matches, such as a recognised league or competition is permitted in line with Bowls Spain Domestic Regulations 2015 - 57.1.1.1

[3.4 Players can be allowed to play on the same rink on the same day providing they are playing in a separate competition (NB: must be an officially sanctioned separate competition, club match or higher)].

Date Extensions

Extensions to fixed "play on" dates is at the sole discretion of the Controlling Body and will only be granted in exceptional and extenuating circumstances, such as serious illness and/or associated medical conditions. Extension requests **will not** be granted to facilitate extended holiday periods. Any player/team unable to play their game on or before the respective fixed "play on" date **MUST** concede the game to their opponent. (Cross Ref. Rule 10)

SETFORD TROPHY First Honours

This discipline is open to all Members who have never won a Club Championship discipline at **ANY** Bowls club.

President's Cup

The winners of the Ladies' Singles and Men's Singles will play on the last day of the finals; the President's Cup will be awarded to the first player gaining 25 shots.

Levante Lawn Bowls Champion of Champions

The winners of the Ladies and Men's singles & pairs, Mixed Fours, Mixed Triples and 4 Wood Mixed Pairs are eligible to play in the LLB "Champion of Champions" to be held during April 2022. Once entered, players representing their respective Clubs are required to play in every round up to and including the Final. Failure to do so is likely to result in punitive action being taken against the offending player(s) and possibly their Club(s). Further details, including Champion of Champion Competition rules, will be provided at the appropriate time.
